Goals For My Care: (please read the following thoroughly so you know why these forms are important)

At Yost Family Chiropractic, we focus on your ability to be healthy. Our goals are to first address the *issues that* brought you to this office and second, to offer you the opportunity of improved health, wellness and quality of life in the future.

On a daily basis we all experience physical, biochemical and psychological/emotional stresses that can accumulate and result in serious loss of health potential. Most times the effects are gradual and may not even be felt until they become serious. Answering the questions on these forms, give us a profile of your specific stresses, past and present, that you face and allow us to better assess the challenges to your health potential.

In addition, we would like to know what your goals here are. Please check 1 or more of the following:

- Relief Care** – Treatment designed to address an obvious symptom, disease, or condition
- Stabilization Care** – Continue with the care necessary to fully heal soft tissues and muscles
- Wellness Care** – Non-symptomatic or maintenance care, designed to maximize optimum spinal and nervous system function and help prevent disease.

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, I understand that Yost Family Chiropractic will prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to Yost Family Chiropractic will be credited to my account upon receipt. I understand that insurance companies do not pay for services that they determine to be not "medically necessary" and therefore, may deny payment for the services provided to me by Dr. Heather. However, I clearly understand and agree that all services rendered to me are my personal responsibility and I am securing my account with the credit card listed below. I also understand that if I suspend or terminate my care or treatment, any fees for professional services rendered me will be immediately due and payable. If payment hasn't been received in 10 days from terminating care, I authorize deduction from my credit card.
